Re: Transfers to Society by Archer
Milton Huntington

Dear Sirs:

As we informed your Mr. Newell by telephone, we represent Archer Milton Huntington and at this time are preparing a digest of various transfers made by him. In connection therewith, we would like to compare our records with yours in order to insure their accuracy. Mr. Newell suggested that we communicate with your Mr. Wood.

We enclose herewith an instrument dated January 3, 1906 and an instrument which was prepared in 1924. We should like to know if these instruments were executed and delivered and if so, we should like to have our copies conformed and returned to us.

We would also appreciate it if you would let us have a copy of a certain deed dated March 24, 1914, whereby Archer Milton Huntington and Helen Huntington conveyed certain land in the Borough of Manhattan to you.

If Mr. Huntington has made any conveyances or transfers to you, of which copies are not enclosed, we would appreciate it very much if you would let us have a copy of each such conveyance.

If it will be more convenient for you to have a representative of this office call upon you, Mr. Van Deren will do so. Kindly address your reply to his attention.

Very truly yours,
